

# The BOND Family

## Quality

Total Tissue Care · Accuracy · Consistency · Reliability

## Efficiency

Quick to Learn · Easy to Run · Easy to Manage

### BOND-MAX

Lab friendly operation in a small footprint

- » Compact
- » Bench-top
- » Full automation

### BOND-III

High throughput, supporting lean practices

- » Speed
- » Fast TAT
- » Full automation

### BOND RX

Highly flexible, fast throughput

- » Protocol flexibility
- » Reagent flexibility
- » Speed

### BOND RX<sup>m</sup>

Highly flexible, small footprint

- » Protocol flexibility
- » Reagent flexibility
- » Compact, bench-top
